He makes you laugh.
He makes you smile.
(He makes you mad
once in awhile.)
He makes your heart
swell up with pride.
He makes you go
all soft inside.
He makes your day
with things he's done.
He makes you glad
that he's your SON.

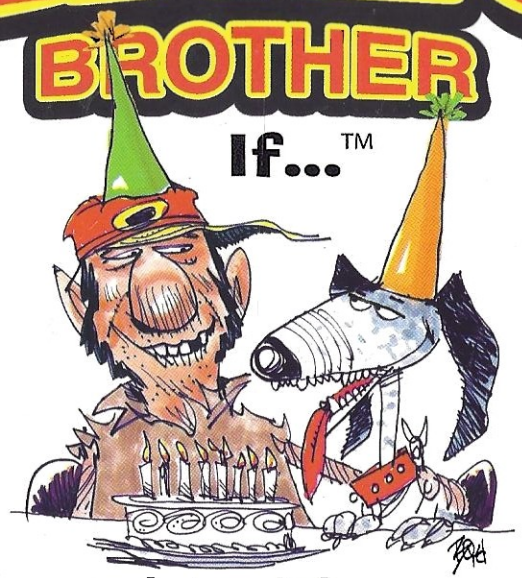
Five Reasons Why You Might Be A

REDNECK BROTHER

If...™



1. A dating service matches you up with a relative.

2. The only signal you use while driving is "the finger."

3. You know at least six different ways to bend the bill of a baseball cap.

4. You rip a loud one and blame it on your dog.

And the fifth reason Why You Might Be A Redneck Brother?

Your gene pool
doesn't have a "deep end."

Happy Birthday

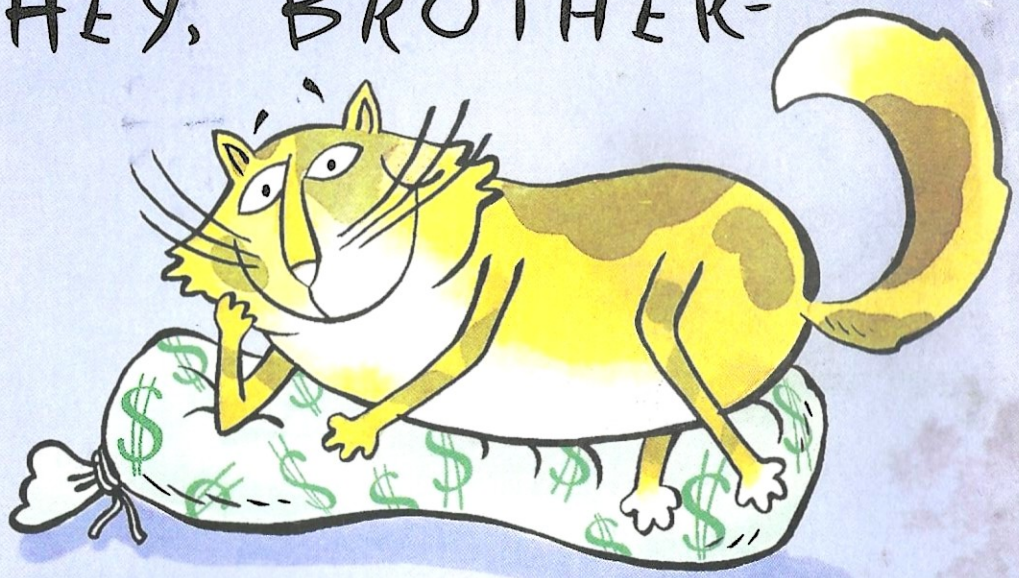
HEY, BROTHER--



For your birthday,
how would you like
to have $100
with no strings
attached?

Happy Birthday, Marty -

I have a third choice -

How about some money AND the string? Sounds like a good deal to me.

Well, another birthday, #43, I can't remember when I was 43 - and I'm sure that oldster Alan can't either.

Hope you're having fun and have a few good trips planned with P.I.

We love you and really enjoy celebrating your birthday with you.

Love.

Brad and Nancy

How about the string with no $100 attached?
